Updated date: Apr 11, 2022

 An abbreviated version of this protocol was published in Science Advances in Mar 2020

Regulation of body length and bone mass by Gpr126/Adgrg6

DOI: 10.1126/sciadv.aaz0368

## Detailed protocol

Although we didn't inject tamoxifen into mice in this article, However, we also inject tamoxifen to mice in other projects. We often dissolved tamoxifen in corn oil with 12.5mg/ml, and we injected tamoxifen into mice continuously for five days to make the cre fully expressed.
